### Manage functions and temperature with Electronic Control

Electronic control gives you the ability to make precise modifications of the temperature and other storage functions. This efficient Upright Freezer also gives you instant feedback of your adjustments on the digital control panel.

### MaxiBox. Spacious storage for groceries

Freezer comes with an extra-large MaxiBox drawer with more room for all your frozen foodstuffs. Drawer comes out completely and remains secured in position, for easy access to all your produce.

### LED lighting illuminates every corner

The internal LED lighting produces a discreet, soft light, shining evenly across the whole space. Plus, LED bulbs are smaller and more energy efficient than standard bulbs – a more sustainable choice.
