

Customisable dishwashing. Efficient cleaning

The MaxiFlex drawer accommodates different type of utensils. From multiple cutlery sets to over-sized utensils. Flexible dividers mean every load is customisable. Flatware is kept separate from larger items and added depth increases each cycle's capacity. The ultimate in efficient, convenient cleaning.

Product Benefits & Features

Customisable space and convenient cleaning with MaxiFlex

The MaxiFlex drawer is engineered to accommodate cutlery and utensils of many sizes, whether large or awkwardly shaped. Flexible dividers and maximised depth mean each load is customisable. Essentially every item is seamlessly loaded and cleaned in one go.

- Energy efficiency (2010/30/EC): A+++
- Installation: FI
- Loading capacity: 14 IEC settings
- Noise level: only 44 (dB(A) re 1 pW) (2010/30/EC)
- 7 programmes, 4 temperatures
- Dishwasher programmes: 160 Minutes, 60 Minutes, 90 Minutes, AUTO Sense, Eco, Machine Care, Quick 30 Minutes
- ProWater system with extra ceiling spraying arm
- ProClean Satellite Spray arm
- Text/symbol panel
- Touch control for programs and functions selection
- Auto Off function
- Thermo Efficient Technology
- Warm water connection up to 60°C
- Delay start option from 1 to 24 hours
- Remaining time indication
- Water sensor detects the level of dirt and adjusts water consumption
- Indications for salt and rinse aid
- SpotControl with 2 colours
- Height adjustable upper basket, even when fully loaded
- Upper basket with Foldable cup shelves, Plastic coloured handle
- Lower basket with 4 foldable plate racks, Plastic coloured handle
- AQUA-CONTROL
- Built-in H(min/max)xWxD (mm): 820/880 x 600 x 550

Powerful dishwashing. With SatelliteClean®

Experience impeccable dishwashing with SatelliteClean®. This spray arm has three-times better coverage than the standard. Because the double rotating arm constantly changes the angle of the spray. Water reaches every corner. For a complete clean.

Effortless cycle-setting with QuickSelect

QuickSelect offers optimal control over the dishwasher. Choose the cycle time with the slider and add extra treatments with a tap. Then the machine will do the rest. Get tailored cleaning delivered at a time that suits. And spotless dishes.

Open-door drying with AirDry

AirDry technology delivers up to three times better drying performance when compared to closed-door systems. The door automatically opens at the end of the drying phase and air is circulated inside the machine. Dishes emerge perfectly dry. Every time.

At-a-glance check

This dishwasher has a clever way to keep you fully up to date with the status of your dishes. Its beam-on-floor technology projects a red light onto the floor while the cycle is still in progress. And when everything is ready to unload, it switches to a green one. Simple, and effective.

Product Specification

Product Installation	Built_In	Width mm	596
Product Typology	Full_Width(60cm)	Depth mm	550
Product Classification	Performance	Tub material	Stainless steel
Installation	FI	Heating element type of	Interheater
Cabinet type of	60 FI SLIDING Domodossola 14 iec	Inlet hose type of	Aqua control
Panel colour	Black	Inlet hose length	150
Door colour	None	Water supply	Cold or hot
Side walls colour	Rough zinc coated	Anti-flood device	Floating switch
Type of timer min.	Level 2	Drying system	AirDry Technology
Push button functions	Delay start, GlassCare, On/off, Program selection, Reset, XtraPower	Softening regulation	10 steps
