

## HK604200IB Built-in Hob

### Immediate response full control over temperature

The induction hob is extremely responsive. You can adjust the temperature precisely and instantly, so you have full control over the cooking process.

### Exact heat for impeccable results

Our induction hob have sensitive touch controls that take you from cool to hot – and back – immediately, letting you make precise changes to make your dish perfectly delicious. Like when you need intense heat for pan-searing steak. And because such precise heat

### Clean as you cook

Because the surface around the pans stays cool as you cook, you can get rid of spills as you go along. Nothing gets burnt on, and there's nowhere for dirt to hide. So it's easy to keep the hob area looking pristine – even while you're still cooking.
