- Refrigerator drawers: 1 Full Width, Metal trim
- Special refrigerator drawers: Extra Chill
- Door hinges placement: Right & Reversible
- Appliance feet: adjustable
- Fridge freezer colour/design: Grey+Stainless Steel Door with Antifingerprint

TwinTech® No Frost. Keeps food from drying-up

TwinTech® No Frost fridge-freezer protects flavours in every ingredient. Superior to standard total No Frost, advanced technology combines two cooling systems for fridge and freezer. Freezer is No Frost. Fridge humidity is kept optimal resulting in 60% less food mass loss and ingredients kept juicy.

Stable temperatures, with MultiFlow

MultiFlow protects the quality of food by maintaining stable temperature and humidity in the whole fridge. Multiple air channels enable an active circulation of cold air reaching every corner.

Extra Chill drawer. For delicate fresh cuts

Slow down the maturation of your favourite cheeses and cold cuts by storing them in the Extra Chill drawer. The zone maintains a lower temperature than the rest of the fridge.

Ten-years peace of mind

Ten-year warranty on the Inverter Compressor provides maximum peace of mind. The warranty includes labour, transportation, gas removal and refilling, general maintenance, and service costs.

Product Specification

Product Installation	Free_Standing	Intensive cooling fridge	Yes
Product Typology	Bottom_Freezer	Holiday function	No
Product Classification	Statement	Service advice function	Yes
Installation	FS	On/Off indicator control	None
Freezer position	Bottom	Fast freeze indicator control	Display
Table top	No	High temp indicator control	Display
Number of doors	2	Door alarm indicator control	Sound only fridge
Design family	OEM		
Main colour	Grey+Stainless Steel Door with Antifingerprint		
Gasket colour	Grey		
Work surface	No		
Wheels	Adjustable feet, Wheels		
Type of handle	Pocket		
Type of doors	Flat		
Door hinges	Right & Reversible		
Other comments design	AEG badge on door		
Top Control Place	Internal		
Type of controls	Electronic Touch		
Type of thermometer control	Electronic LED		
Thermometer position	Internal		
Type of fast freeze function control	Touch Button Auto Return		
Type of defrosting freezer	Auto		
Type of defrosting refrigerator	Auto
