Manage functions and temperature with Electronic Control

Electronic control gives you the ability to make precise modifications of the temperature and other storage functions. This efficient Refrigerator also gives you instant feedback of your adjustments on the digital control panel.

Odour-free fridge, with CleanAir Filter

Thanks to its special charcoal structure, the CleanAir Filter absorbs bad odours within the refrigerator. Preventing them from effecting your food's natural taste and aromas.

MaxiBox. Spacious storage for groceries

Fridge comes with an extra-large MaxiBox vegetable drawer with more room for all your groceries. Drawer comes out completely and remains secured in position, for easy access to all your produce.

LED lighting illuminates every corner

The internal LED lighting produces a discreet, soft light, shining evenly across the whole space. Plus, LED bulbs are smaller and more energy efficient than standard bulbs – a more sustainable choice.
