

Quick temperature recovery, for full food protection

The 500 ColdSense Fridge Freezer quickly returns to the correct temperature after door opening and closing, thanks to precise electronic sensors. This helps prevent temperature shocks and food spoilage for total food protection.

Product Benefits & Features
ColdSense protects food by quickly restablising the temperature

ColdSense uses precise temperature sensors to quickly return the Fridge Freezer to the right temperature after door opening and closing. This helps prevent temperature shocks and food spoilage for total food protection.

- Energy efficiency class: E
- For fully integrated, slide door installation
- Net capacity freezing compartment: 72 l
- Net capacity refrigeration compartment: 195 l
- Automatic defrosting of the cooling compartment
- Fast Freeze function with auto return to normal settings
- Audible and visible warning signal for open door
- Refrigerator lighting: 1 LED integrated to controls
- Refrigerator shelves: 4 Full Width, White Plastic
- Egg tray: 2 for 6 eggs
- Freezer shelves: 2, Full Width, Glass
- Freezer drawers: 3 Full Width, Transparent Plastic
- Special refrigerator drawers: No Trims
- Door hinges placement: Right & Reversible
- Other internal freezer features: Ice scraper
- 1780 mm built-in height
- Fridge freezer colour/design: White

Less freezer maintenance, with LowFrost

The integrated LowFrost system maintains your freezer's temperature to help prevent the build-up of frost. For better performance and less maintenance.

Compressor ten-year warranty

Enjoy total peace of mind knowing the compressor itself has a ten-year warranty. The warranty covers damages which could be incurred during labour, transportation, gas removal and refilling, or general maintenance.

Precise food storage with Internal Electronic Control

Take command of the storage conditions of your food with Internal Electronic Control. The LED indicators conveniently show you the temperature, and the settings remove any guesswork.

Humidity Control for fresh greens

Enjoy delicious vegetables with our Humidity Control drawer. By managing the moisture in the air, it creates the best environment to store food. Closing the vents creates the ideal space for storing herbs and leafy greens, while opening the vents gives optimum storage.
