

**Stable temperature, always cool**

DynamicAir Technology creates an airflow, moving cool air around the fridge, so there's always a stable temperature in every corner. Preserving ingredients from losing shape or drying out.

Product Benefits & Features**Consistently cool, with DynamicAir**

DynamicAir makes sure that the environment inside your fridge is kept at a stable temperature. It works by circulating cool air throughout, meaning that even when the door is opened, your food is protected from heating up.

- For fully integrated, door-on-door installation
- Net capacity cooling compartment: 310 l
- Extremely silent: only 35 dB
- Automatic defrosting of the cooling compartment
- Holiday function to minimize energy consumption during long absence avoiding mould and bad odours

- 1780 mm built-in height
- Fan air circulation for even temperature throughout the fridge
- Soft-closing door solution

Effortless control with Electronic Touch Controls

Electronic Touch Controls provide easy access to the refrigerator's settings and functions, so you can manage the temperature depending on your needs. Ultimate control at your fingertips.

**Extra organization. With ExtraZone**

Separate food groups with the ExtraZone drawer. To stay organised and always have the right ingredients to hand.

Humidity Control for fresh greens

Enjoy delicious vegetables with our Humidity Control drawer. By managing the moisture in the air, it creates the best environment to store food. Closing the vents creates the ideal space for storing herbs and leafy greens, while opening the vents gives optimum storage.

Odour-free fridge, with the CleanAir Filter

Enjoy a fresh-smelling fridge with CleanAir filter. Our filter uses charcoal to neutralise strong food odours, protecting the natural aroma of your ingredients.

Product Specification

Installation	BI DoD	On/Off indicator control	Display
Product Typology	Cabinet > 880 mm	Mains on switch	Children Security Device, Touch Button
Product Classification	Statement	High temp indicator control	None
Product Installation	Built_In	Door alarm indicator control	Display, Sound With Switch Off Function
Table top	No	Height total	1769
Number of doors	1		
Design family	Electrolux 100		
Main colour	White		
Top panel height	None		
Work surface	No		
Type of handle	None		
Type of doors	Flat		
Door hinges	Right & Reversible		
Door frame	None
